“We appreciate the good quality of WEB Water. Before WEB, our water had a high content of iron in it. Good quality of water is essential to healthy living.”
Jaci Weller, Aberdeen, SD
"I grew up on artesian water; hunters and relatives would complain of the smell and taste of the well water. With WEB Water they no longer complain about it and there is no getting use to the water."

Don Stroller, Doland, SD

“WEB Water has been a valued service to rural South Dakota. It is wonderful to know that at all times our family and our livestock have access to fresh clean water in our farmyard as well as our pastures. WEB has been a great company with outstanding service for our family.”

Jason Preszler Family, Roscoe, SD
