

WEB Water Development Association, Inc.

WTP Operator-Relief Shift  
Notice of Job Opening

WEB Water Development Association, Inc. has an opening for a WTP Operator-Relief Shift. This position requires skills necessary to maintain the 12+ mgd surface Water Treatment Plant, Intake Plant, and generation sites. The WEB Water Treatment Plant (WTP) is located near Selby, South Dakota and requires residency within 30 minutes.

Applicant must have a high school diploma. Experience is a plus; we are willing to provide training to the right motivated applicant. Must be able to obtain Class I Water Treatment Certification within 1-2 years, Class II within 3-4 years, and Class III within 4-6 years.

Closing date: Open until filled. Applications and Job Descriptions may be obtained from our website at [www.webwater.org](http://www.webwater.org) or by calling the WEB Water Office at 605-229-4749. Completed Applications must be mailed to WEB Water, PO Box 51, Aberdeen, SD 57402.

WEB Water is an Equal Opportunity Provider.
